

**AIDIMA**

Reference: 1505149-01 i

TEST CERTIFICATE**PRODUCT**

A sample of covering shower tray constructed with polymeric material identified by the client as:

SHOWER TRAY. BLACK COLOR**COMPANY**

SOLID SOFT TRAY, S.L.
CR VIVER A PUERTO BURRIANA, km 58,4
12200 ONDA (CASTELLON)
B-98.508.872

TEST

Abrasion resistance, scratch resistance and light resistance

RESULT

As stated by report with reference 1505149-(01 and 02)(emission date: 30th June 2015), the results are the following ones

CHARACTERISTIC	TEST METHOD	RESULT
Scratch resistance (N)	EN 15186 Method B	4,0
Scratch resistance (Assessment)	EN ISO 4586-2 Part 29	1
Abrasi3n resistance (Cycles) - IP - Resistance	EN ISO 4586-2 Part 11	250 450
Light resistance (Grey scale assessment)	EN ISO 4586-2 Part 32	5

Paterna, 30th June 2015

Rosa Mª Pérez Campos, PhD
Head of Materials Laboratory AIDIMA

This certificate does only apply to the samples tested at the AIDIMA laboratory.
